THE PALACE,

MYSORE.

17th July 1922.

Dear Mr. Venkatanaranappa,

I have received your letter of the 11th.

I shall, of course, be delighted - as I always am, let me assure you, - to see you when I come to Bangalore.

Mr. Usher has forwarded your Memorial addressed to His Highness, but I am afraid I cannot take any action on it as it has to come through the proper channel, you being an Officer in service. I am, therefore, obliged to return it to him. Just now, however, let us hope, how much I sympathise with you.

With kindest regards,

Believe me,

Yours sincerely,

Mirza M Ismail
